

# Are you interested in helping FairFight out during the Coronavirus Pandemic?

## Why not create an online fundraiser for us?

Online fundraisers are a safe and effective way to support our projects, and you can engage people from all over the world this way.

## Want to help? There are three options:

Throw a **Facebook** fundraiser. Here's how you do it:

1. Go to our page <https://www.facebook.com/fairfightmartialarts>
2. Click "create fundraiser"
3. Choose a text to go with your fundraiser. Out of ideas? Reach out to our teams via the chat function on Facebook and we'll get back to you with text ideas and photos you can use.
4. Set a target. You can be ambitious! We've had fundraisers clear the 2000 euros bar in the past.
5. You can either leave it at that and remind people every other day by posting progress of your fundraiser or...
6. Some people have gotten very creative - one person did 10,000 push-ups in 28 days, one person ran a marathon, and a number of people have offered a free online karate seminar for donors. Fundraisers with "challenges" attached tend to work best. What also works really well are birthday fundraisers.

Organise an online event, on Zoom or another platform, gather donations via your organisation's bank account, then send the money over to us via **PayPal**. Here's how you do it:

1. Plan an event - pub quizzes, martial arts classes and other trainings have proven popular recently.
2. Invite your dojo / martial arts network / organisation.
3. Ask for donations through your bank account
4. Send the money to **donations@fairfight.nl**
5. If you are in The Netherlands, you can send it to our bank account directly instead, and receive a tax-deductible receipt.

You can run a race or do a challenge for us and have donations go through **Donorbox**, and organisation partnered with PayPal and Stripe payments.

1. Decide on your challenge
2. **Contact us** and we will set up the campaign for you on Donorbox
3. We will provide you with a link to the campaign to share on all your platforms
4. The money is they transferred directly to us.

We recommend that you use Facebook as they do not charge a commission and allow you to fundraise in 26 different countries on the same fundraiser, but we're happy to help you set up any of these options. If you need anything from us, whether it's text, photos, videos or inspiration, feel free to reach out to us from email address: [info@fairfight.nl](mailto:info@fairfight.nl), our website: [www.fairfight.nl](http://www.fairfight.nl) or on our Facebook page.
